

Teamstel Text Message Service Privacy Policy

This policy explains how Teamstel handles information connected to the Teamstel IT Support text messaging service. It applies only to this service, and does not replace Teamstel's general privacy policy, which may govern our relationship with you in other contexts.

How we use your information

We only use the information you provide through this service to transmit your messages and respond to you. This includes sharing information with platform providers, phone carriers, and other vendors who help us deliver mobile messages.

What we do not do

Mobile information is not shared with third parties or affiliates for marketing or promotional purposes. Text messaging opt-in data and consent are not shared with any third parties.

Legal disclosures

We may disclose information as necessary to satisfy any law, regulation, or government request, to avoid liability, or to protect our rights or property.
